The Wilhelm Reich Infant Trust's Endowment Fund is at all time low. We are in need of financial support in order to continue operations.

The Endowment Fund is now at only \$60,000.00. We will not be able to keep the museum open when this money runs out.

The cost each year to maintain the historic museum and grounds, basic office expenses, heating oil, snow plowing, staff payroll and withholding taxes is roughly \$150,000.00 per year.

We have been using money from the Endowment Fund to help pay these expenses because, the income from book sales, royalties, cottage rentals, donations, fundraisers, and conferences have not been enough. Each year we have had less earned income.

We are turning to you once again, our friends and supporters, for help. Please donate what you can. The situation is most urgent.

Sincerely,

Mary Boyd Higgins, Executive Director

Josh Dayton, Director

Mary Henderson, Director

James Strick, Ph.D., Director

Kenneth Baker, D.O., Director
